FOR IMMEDIATE RELEASE, August 29, 2012

Hurricane Isaac, By the Numbers, Alabama Response

Clanton—As the Alabama Gulf Coast continues to face the impact of Hurricane Isaac, here is a breakdown of the number of resources mobilized or that are on stand-by to assist the residents in the affected communities.

- There are **816** occupants in the general need shelters
- There are **567** state employees to include the Alabama National Guard mobilized
- There are **172** occupants in the medial need shelters
- There are **44** Alabama Mutual Aid Teams on stand-by (they can assist with search and rescue, debris removal and etc.)
- There are **8** regional law enforcement teams on stand-by
- There are **7** roads currently closed (Baldwin-4 and Mobile-3)
- The NWS is predicting **5** feet of storm surge before water recedes later this evening
- There are **2** State Trooper Districts monitoring traffic flow
- There are **2** Department of Transportation Districts monitoring roadways for potential flooding
- The Emergency Operations Center remains activated at level **1**

Coastal residents needing to report damage are encouraged to contact their local EMA office, or if they need assistance dial 2-1-1 or 1-888-421-1266. For the latest on Hurricane Isaac visit ema.alabama.gov or follow @AlabamaEMA on twitter.
